It takes the best to do
what's right for you

MOOLCHAND WELCOMES DR. PRAVEEN CHANDRA AS HEAD MEDANTA MOOLCHAND HEART INSTITUTE

Padma Shri Dr. Praveen Chandra has 29+ years of experience in Interventional Cardiology. He is amongst India's top cardiologists and is recognised as a leader in angioplasty and adoption of new cardiac devices. He has pioneered techniques such as TAVI and Percutaneous Mitral Valve Repair in India. He has received several awards for his contribution in the field of cardiology in India and across the world. He is Chairman of Interventional Cardiology at Medanta.

Areas of excellence:

- Angiography, angioplasty & stenting
- Coronary artery disease
- Heart valve disease
- Implantable cardiac devices (Pacemaker, ICD, CRT)
- Valvuloplasty (TAVI)
